

Darley Park

All User Path Consultation

With record amounts of rainfall during winter 2015/16 Darley Park became impassable in places preventing good and safe access in and around the park. We want your views on a proposed new all user path to prevent further damage to the park and allow year round access along the river.

Location: Opposite the Darley Park Café

Date: Friday 12 and Saturday 13 August 2016
between 10am and 2pm
