Next meeting Jan 2018
- **Abbey Street / Curzon Street Modifications/Improvements**
Planning proposal to improve cycling infrastructure as part of the 'Western Corridor' route, from Derby to the Derby Royal Hospital.
TR has discussed proposal directly with planners.

- **Cathedral Road**

Planning Proposal regarding Cathedral Road, incorporating additional parking spaces (outside Queens Street swimming baths)

Concerns for detrimental effect of angled parking spaces which require reversing to exit and a cycle path on the pavement.

DCG to submit formal response by 21st December - **DS**

- **DCG Suggested Projects / Improvements**

<https://derbycyclinggroup.org.uk/blog/suggest-projects/>

A list of suggested improvements for the Derby cycle infrastructure is being compiled. This list includes anything from quick fixes, repeat problems, large projects etc. All DCG members are encouraged to add topics.

Best quality solutions for the available funding

Many obvious suggestions:

- Better links to the Derby Royal Hospital, for staff, visitors and patients.
- Further improvements for new Infinity Way / Wilmore Road intersection
- Wilmore Road / Sinfin Lane with ongoing Rolls-Royce campus changes
- Cycle route connection between Mercian Way and Friar Gate
