Item		Action
6	Campaigns and Strategy:	
6.1	ID outlined some thoughts about encouraging the council to enforce parking restriction on Duffield Road. A suggestion that posters be attached to adjacent fences warning of parking restrictions. K Ball had made a suggestion that some schools use automatic CCTV to inform the council of parking infringements, JB to investigate.	JB
6.2	Allestree rewilding - ID monitoring the proposals for access to the park by active travel.	ID
7	Events Diary:	
7.1	Summer rides: KT stated that due to unforeseen circumstances he will not be able to participate in rides during the summer. Proposed that such rides would be held in abeyance for this year.	
7.2	As there had been no volunteers to organise attendance at summer events and that summer rides were not taking place the decision was made not to pursue affiliate membership of Cycling UK. To be reviewed at later date.	
7.3	Belper Goes Green - ID indicated that he had located materials and equipment for the stand, that DCG will be sharing with Derwent Valley Trust. Several members had volunteered to assist on the stand for both days.
